

Community of Care Conversations on:  
**Evidence Based Practice**  
and  
**Effective Tools**

*for supporting students affected by*  
**Trauma, Abuse, Neglect or**  
**Foster Care Placement**

**8:30 – 4:00 p.m.**

**Sept. 12<sup>th</sup> & 13<sup>th</sup>, 2018**

Join **Clayton Cook, Ph.D.** for a dynamic, interactive workshop hosted by Diagnostic Center, Central, [www.dcc-cde.ca.gov](http://www.dcc-cde.ca.gov) and Focus on Unity in Education at Hotel Picadilly, <https://www.piccadillyinn.com/>.

Dr. Cook will present on strength based approaches to improving behavior, and integrated school and mental health systems of support.

General educators, special educators, social workers, counselors and others supporting “at risk” youth will gain evidence based tools... while interacting with others engaged in this important work!

We invite you to add your voice to the table!

From mandates to research to practical application... participants in the ***Community of Care Conversation on: Evidence Based Practice and Tools for supporting students affected by Trauma, Abuse, Neglect or Foster Care Placement***, will leave with insight into the needs of children impacted by environmental adversity (and those who serve them).

Shared resources, conversations, a panel discussion and break-out sessions will add opportunities to access topics like:

- ✓ proactive and restorative behavior support practices
- ✓ neurologic and other effects of pre/post-natal trauma
- ✓ individual and systemic environmental supports
- ✓ individual supports for students with ADHD, autism, or anxiety
- ✓ Cognitive Behavior Therapy, classroom cognitive behavior tools
- ✓ FBA/BIP data as it relates to emotionally driven behaviors
- ✓ Multi-dimensional foster care considerations; mentoring, etc.
- ✓ Supporting the Support Team; second hand trauma
- ✓ Mental health integration in Multi-tier Systems of Support (MTSS)
- ✓ community of care impacts on students in environmental adversity

Keynote speaker bio: Currently a professor at the University of Minnesota, [Clayton Cook, Ph.D., www.cehd.umn.edu/edpsych/people/crcook/](http://www.cehd.umn.edu/edpsych/people/crcook/), originally hales from California. He's played an instrumental role in the CA Positive Environment Network of Trainers (PENT) and behavior plan research, including for students with emotionally driven behaviors. Dr. Cook is an engaging, pragmatic presenter with expertise in the areas of Cognitive Behavior Therapy and interventions, mental health integration in schools, behavior support and related topics.

Clayton Cook,  
Ph.D.
